

# Black Girl Magic

## SPRING THEME: ART AND ACTIVISM

Black Girl Magic is a safe and engaging space for 7th - 10th graders who identify and experience life as Black/African-American to connect with peers and find support through discussion and activities.

The group's theme for spring is **Art and Activism**. We'll explore identity and activism, particularly in regards to racial justice, through guest speakers, art activities, and a community-related group project.

### THURSDAYS, EVERY OTHER WEEK, 3:30 - 4:30 PM

Group meets on ZOOM (we may try to get together in-person with physical distancing later in the spring depending on COVID).

Registration is required and FREE. To register, visit our website at [ywrc.org/programs/bgm](http://ywrc.org/programs/bgm) or contact Chelsea via email at [cmoore@ywrc.org](mailto:cmoore@ywrc.org).
