## Young Women's Resource Center Ambassador Board Application

The Young Women's Resource Center Ambassadors are seeking applications for its governing committee. The committee is made up of Ambassador members who are invested in furthering the mission of the YWRC. Ambassadors serve to mobilize the next generation of community members by providing opportunities to support the YWRC through volunteering, advocacy and financial support.

We are committed to creating a positive experience for Ambassador members and Center participants. As a committee member, you will have the opportunity to support a long-standing and committed organization that supports, educates and advocates for girls and young women. Networking opportunities with other like-minded community leaders will be inspiring and fun. You will have the chance to share your ideas, skills and passions with other people focused on improving the lives of girls and young women in our community.

The committee meets approximately 8 times per year. Members are asked to attend 75% of the meetings each year. Interested applications should submit an application and resume to [ambassadors@ywrc.org](mailto:ambassadors@ywrc.org).
